Library of Congress Cataloging-in-Publication Data

Institutions and environmental change : principal findings, applications, and research frontiers / edited by Oran R. Young, Leslie A. King, and Heike Schroeder.

p. cm.

Includes bibliographical references and index.

ISBN 978-0-262-24057-4 (hardcover : alk. paper) — ISBN 978-0-262-74033-3
(pbk. : alk. paper) 1. Environmental policy. 2. Environmental protection.

3. International relations—Environmental aspects. 4. Globalization—
Environmental aspects. 5. International cooperation. I. Young, Oran R. II.
King, Leslie A. III. Schroeder, Heike.

HC79.E5I5159 2008
